"Building trust and enhancing mobility across SADC through the SADCQF, its qualifications, quality assurance mechanisms and verification systems"

SADC Qualifications Verification Network

Updated June 2017

INTRODUCTION

The Southern African Development Community Qualifications Verification Network (SADCQVN) is a networking tool for SADC Member States to verify qualifications used in SADC. It consists of Verification contact details from the 15 SADC Member States namely Angola, Botswana, DRC, Lesotho, Madagascar, Malawi, Mauritius, Mozambique, Namibia, Seychelles, South Africa, Swaziland, ¹Tanzania, Zambia and Zimbabwe.

1 At the time of finalising this document no information had been received from Tanzania.

“Building trust and enhancing mobility across SADC through the SADCQF, its qualifications, quality assurance mechanisms and verification systems”

Country	Body responsible for qualifications framework/system	Body/ies responsible for quality assurance	Body responsible for verification of national qualifications	Body responsible for verification of foreign qualifications
